Tutors

About MetFilm School

MetFilm is one of Europe’s largest film schools. Based at the iconic Ealing Studios in West London, we deliver undergraduate programmes in acting, filmmaking, television, online production and screen business. There are also specialist postgraduate programmes in Screenwriting, Cinematography, Producing, Directing and Post Production plus numerous short courses across our Berlin, Leeds and London campuses. Our educational philosophy is defined by the unique and multiple ways in which we bring education and the creative industries together through pedagogy, production and partnerships.

About the Roles

MetFilm School is expanding its hourly paid freelance tutor pool in specific subject areas to meet the wide range of expertise needed to deliver programmes at the London campus. We are looking for candidates from an industry and/or academic background, depending on particular module needs as we continue to expand and innovate our curriculums. We are currently recruiting tutors in the following areas:

- Transmedia (Cross-platform) Storytelling
- Sound Recording/Design
- Production Design/Art Department
- Documentary Directors
- Cinematographers
- Film Producers
- Podcasting
- Social-Media Storytelling
- Branded Content

These positions are hourly-paid, flexible and would suit industry professionals with an interest and experience in higher education teaching. If you are interested in applying for the role please state the subject area(s) listed here in the subject line and send a current CV to teach@metfilmschool.co.uk.

MetFilm School is committed to safeguarding and promoting the welfare of children, young people and adults with care and support needs and expects all staff to share this commitment. All posts are subject to Right to Work and Enhanced DBS checks.

We are committed to establishing a culture of diversity and inclusivity at MetFilm School, where all staff and students can work, learn, be ourselves, and reach our full potential. We welcome applicants from diverse backgrounds, including race, disability, age, sex, gender identity, sexual orientation, religion and belief, marriage and civil partnership, pregnancy and maternity, and caring responsibility.

Key Accountabilities

- Deliver high quality practice-based teaching
- Carry out associated administrative tasks within an established programme of study
- Set and mark assignments, assess the work and progress of students and provide constructive feedback to students
- Co-ordinate modules in own subject area
- Attend and participate in module team meetings, liaising with colleagues as necessary
- Reflect on practice and development of teaching and learning skills

You may also be required to carry out other duties in keeping with the nature of the post as directed by, and agreed with your line manager.

Knowledge and Qualifications

Essential

- First degree in a relevant discipline
- Industry experience in Creative Industries
- An active interest in current developments in teaching, learning and the student experience
- Commitment to diversity, equality, inclusivity and safeguarding
